

**ISA**  
Indian Society of  
Anaesthesiologists

## Message by Past President ISA National

I am very happy to note that PEAK (Practical Evidence in Anaesthesia Knowledge), the academic jewel in the crown of the CISA (College of Indian Society of Anaesthesiologists) is due for publication. This marks an important chapter in the history of ISA.

The PEAK journal provides another opportunity for Indian anaesthesiologists to publish their research and scientific work. With the academic enthusiasm of the Editor-in-Chief and his Editorial Board, I am sure that PEAK will become a popular journal among all anaesthesiologists.

I wholeheartedly congratulate Dr. S. S. Bajwa the Editor in Chief of PEAK, Dr. J. BalaVenkat, Chancellor, Dr. J. V. Divatia Vice Chancellor and all the Deans of CISA for making the dream of CISA and PEAK a reality.

Long Live ISA!  
Long Live CISA!  
Long Live PEAK!

**Dr. (Major) M.V. Bhimeswar**  
**Vice Chancellor**  
**CISA (2023-24)**
